# Meet Mrs. Izzy

Hí! I'm Mrs. Izzy

Welcome!

I am originally from Boulder, Colorado and Austin, Texas! I have been teaching for 3 years as well as being a Behavioral Technician for kids on the spectrum this last year. My passion is making sure kids feel heard and supported. The one-on-one relationships I make with each child are what make teaching worth it for me! I am so excited to join the team and can't wait to bring my creativity and care into the classroom! I am an artist, so bringing that love to the little artists in the classroom is really fun for me! These partnerships with the caregivers are vital to the development of the child. I love to collaborate with families to integrate care into the home as well as the classroom. I am so excited to be here and start making relationships with the families and children!

Outside of THA you can find me at the gym, or at home with family. Watching movies, shows etc. I love to go to parks and walk my dog.

Sincerely,

Mrs. Izzy
